DNR Providing Water to Kewaunee?

**Date:**Thursday, July 06, 2017 8:56:48 AM

---

"Kewaunee is awaiting the DNR's plan on how it will partner with our local Land and Water Department, our health department and local leadership to not only make good on the delivery of water to those in need, but to employ education, outreach and, if needed, a door-to-door campaign to raise awareness of the DNR's ability to provide water"

[Nancy Utesch: DNR's low-key response to Kewaunee's water crisis not nearly enough](#)

## **Nancy Utesch: DNR's low-key response to Kewaunee's water crisis not...**

By Nancy Utesch | Kewaunee farmer

Many Kewaunee residents living with water contaminated by bovine manure have absolutely no idea what the DNR's...
